

VOLLEYBALL COACHES NEEDED

Metro Volleyball Club is looking to hire coaches. We are seeking “high level” coaches because we desire individuals that will bring high quality attributes to our program. If you are presently a coach and/or have significant volleyball playing experience and want to be a part of and continue to learn from an amazing group of coaches, METRO may have a place just for you.

Metro is an established, successful, and growing club in the Oconee/Athens and surrounding area whose mission is to be elite on every level: coaching, players, training, and performance. We are a program that plays, trains, and prepares athletes at and for the highest level of competition in the sport of volleyball. We train and develop young players (10U-14U) and advanced players (15U-18U).

If you view coaching young players as a privilege and a priceless investment in the lives of others... If you believe that coaches and players should always seek to learn and grow... If you want to be an elite coach with an elite program that is growing and excelling with each new season, then METRO might be the place for you.

For information about coaching opportunities, or to apply for a position, please contact:
